SURVEILLANCE
 & INVESTIGATION SERVICES

A Professional Investigation
 &
 Consulting Agency

“We find them when you can’t”

THE B.S.I.S. DIFFERENCE.

Investigating insurance claims of any kind takes skill and industry knowledge. We have a professional staff that brings their knowledge and experience to work for you on every assignment. Our insurance clients are industry leaders in the area of workers compensation life and health, disability, third party claim administration and liability coverage. **Baker Surveillance & Investigation Services** looks forward to assisting you in one or all of the following areas:

Surveillance

We are able to obtain clear video documentation of your claimant's activities and physical abilities. Our Investigators use customized surveillance vehicles, state of the art digital video equipment and hidden digital video cameras which allow us to obtain video virtually any public area. Thus we are able to ensure undetected surveillance while obtaining video evidence you need to help settle your claim

Insurance Fraud Investigations

We excel at providing specialized investigative services to the insurance community in combating insurance fraud. Our staff is fully trained and ready to assist in all of your claims needs.

Injured or Fraud?

Claim Red Flags to look for:

Claimant is never home, can't come to phone, or you get voice mail

Claimant moved out of state

Anonymous tips or leads from co-workers, family friends

Claimant's appearance is suspicious i.e. dirty calloused hands tanned wears work clothing

A gut feeling or suspicion about claim

Claimant has PO Box and or non-published phone number

Demands are excessive

Claimant has skills in a trade where he or she can work for cash

Injury doesn't typically match length of recovery or there are conflicting medical reports

Prior claims history

It is important to ALWAYS trust your gut instincts when evaluating a claim.
